**I. EMERGENCY BUSINESS**

Due to the current bucket truck failing electrical inspection and not safe for city workers, at the March 7<sup>th</sup> council meeting it was decided to move forward with an inspection on a possible purchase of a 2006 Bucket Truck. The current owner agreed to allow this inspection before purchase, which failed upon inspection. With the unknown possibility of needing the bucket truck for electrical emergencies, it has been a top priority to find a replacement. The utility department found a used 2007 International 4400 Bucket Truck with a working height of 51'. The truck appears to be in excellent condition and a passing electrical inspection in August of 2022. With that, Mayor Brink called an emergency meeting to make a decision to purchase before sold.

Motion by Vacha, seconded by Phillips to approve the purchase of a 2007 International 4400 Bucket Truck with a working height of 51' in the amount of \$34,900 pending Ueding's inspection. On roll call, AYE: Steinmeyer, Housh Sr, Vacha, Phillips NAY: None. ABSENT: Housh Sr. **MOTION CARRIED**

Motion by Steinmeyer, seconded by Vacha to adjourn the meeting at 5:05. On roll call, AYE: Steinmeyer, Housh Sr, Vacha, Phillips NAY: None. ABSENT: Housh Sr. **MOTION CARRIED**
